

HIKVISION®

ACCESS AT A GLANCE EVEN IN ZERO-LIGHT ENVIRONMENTS

AI Face Recognition Terminal
DS-K1T607 Series

PRODUCT SHOWCASE

	DS-K1T607TE/MW	20,000 Faces	DS-K1T607TEF/MFW	
	DS-K1T607PE/MW	10,000 Faces	DS-K1T607PEF/MFW	
	DS-K1T607E/MW	6,000 Faces	DS-K1T607EF/MFW	

PRODUCT HIGHLIGHTS

01. Enhanced Verification Speed

Faster verification based on deep learning algorithm (1:N < 0.5 seconds)

05. Access Control

Multiple verification methods – faces, fingerprints, cards, passwords, and more

02. Zero-Light Recognition

Fast recognition speed in no-light environments (1:N < 0.5 seconds)

06. Industrial Design

- Narrow bezel, 7" touch screen
- IP65 waterproof rating

03. Simple Registration

Register at device or via imported image library

07. Extensive Applications

- Optional fingerprint module
- Wi-Fi supported by selected models
- Video intercom integration
- Network video recorder (NVR) integration

04. Anti-spoofing Detection

Access denied when using pictures, videos, or other media as counterfeit verification
